

ESSENTIAL TURBINES

Fast Facts

COMPANY OVERVIEW

Essential Turbines Inc. (ETI) is a global aircraft engine MRO provider specializing in Rolls-Royce M250, RR300, and Safran Larzac turboshaft engines. As a Rolls-Royce Authorized Maintenance Repair & Overhaul Center (AMROC), ETI serves operators performing mission-critical work in emergency medical services, government operations, utility, oil & gas, and commercial helicopter sectors.

Mission: Engines Trusted to Fly. Powering Missions That Matter.
