SUBJECT: FAA SUPPLEMENT INTIAL APPROVAL

Dear Mr. Last:

The FAA Supplement submitted, October 10th, 2020, to our office, has been reviewed and found satisfactory for your operation and was approved November 12th, 2020.

This supplement meets the requirements of the latest Bilateral Aviation Safety Agreement (BASA) and accompanying Maintenance Implementation Procedures (MIP) between Canada and the United States. (Ref Advisory Circular 571-002 Issue 1).

You are reminded that all deviations from the organization, equipment and procedures presently outlined in your manual, shall be submitted for our approval prior to implementation.

For any additional information, please do not hesitate to contact the undersigned.

Sincerely,

Bertrand Legault
Civil Aviation Safety Inspector, Airworthiness
Civil Aviation - Quebec region
